

\$50,000 REWARD

Do you recognize this curtain?

**This is new evidence in the 1989
murder of 10-year old
Amy Mihaljevic.**

Her body was found in Ashland County.

**Look closely at the
homemade curtain**

**27" x 68" - believed to be made
out of a bedspread.**

**A \$50,000 reward is being
offered** if your information leads to the
conviction of the person responsible
for this crime.

**Anyone who might be able to help identify where this avocado-green curtain
came from is asked to contact the Bay Village Police Department.**
