CHILD SUPPORT WARRANT RECALL FRIDAYS!

CUYAHOGA COUNTY JUVENILE COURT AND OFFICE OF CHILD SUPPORT SERVICES

Please join us for this extraordinary effort to ensure that both Parents are an important part of their children's lives!

If you are under a Child Support Obligation and you are in arrears, please bring a minimum of \$50 in the form of a Cashier's Check, Cash (exact change) or Money Order.

You may pay more than the \$50 minimum and most importantly, all payments collected will be applied directly to your child support obligation.

Your Child Support Warrant will be recalled, and you can benefit from alternatives to jail and other services that will assist you with your child support and parenting time.

Do you have an outstanding warrant because you failed to show up for genetic testing? Did you fail to appear in court regarding your child support obligation? **Are you avoiding court because you know or you think there is a warrant for your arrest?**

YOU, the Obligor (the person who owes child support) and the Oblige (the person who receives child support) can receive the following assistance:

- Your **Child Support Warrant** will be **immediately Recalled**;
- Information on license suspension and **reinstatement and/or driving privileges**;
- Training on how to access your **child support account on-line** and a copy of your specific **child support order**;
- Information on **parenting time with your child**;
- **Genetic Testing** will be done at the Juvenile Justice Center;
- Make payments, receive a same day hearing, or a date to appear in Court **within 90 days** and a reasonable purge amount;
